CITB Site Manager Safety Training Scheme - SMSTS

Duration: 5 days (Spilt week, block week or day release available)

Maximum Delegates: 20

Venues: Bristol/Stonehouse/Bridgwater

Introduction

This is a five-day course which provides project managers, site managers and supervisors, business proprietors and client-based personnel with the knowledge and skills to enable them to ensure healthy and safe conditions for construction site employees.

Overview:

The United Kingdom Contractors Group (UKCG) recognises this course as meeting the required standard for all managers working on UKCG sites.

Course structure:

The Health and Safety at Work Act
Construction Design and Management (CDM) Regulations
Risk assessments/method statements
Recent changes in accepted working practices
Behavioural safety
Management of occupational health
Electricity
Excavations
Working at height
Scaffolding
Demolition
Confined spaces.
Entry requirements:
You must have a good understanding of spoken and written English.
Please contact us if you have any concerns in this area.

Assessment and exams:

This is a highly interactive course delivered by means of case studies, classroom discussion, group work and individual/group presentations. In addition you will be required to undertake some self-study outside of the course. You will be continuously assessed and required to successfully complete a multiple-choice test.

Qualifications/certification:

Upon successfully completing the course you will be awarded a CITB Site Safety Plus certificate.

This qualification must be renewed every five years by attending the SMSTS Refresher course.

Candidates must take an SMSTS Refresher course before their existing certificate expires, otherwise the full SMSTS course will have to be taken again. The six month grace period that used to be in place will cease to exist from 1 January 2016.
